DEW-D0014008

15 July 2021

Dear 

**RE: FREEDOM OF INFORMATION APPLICATION**

I refer to your application pursuant to the *Freedom of Information Act 1991* (the Act) received by the Department for Environment and Water (DEW) seeking access to:

“documents, specifically reports, spreadsheets produced since January 1, 2019 relating to dog attacks in Adelaide. What suburbs in Adelaide have the most dog attacks. The circumstances of those attacks. I would also expect to capture individual complaints de-identifying individuals.”

**DETERMINATION**

Searches of the Board’s records have found one (1) document held by this agency within the scope of the request.

The Board’s Principal Officer for FOI and Presiding Member, Mr David Parkin has determined to grant you full access to this document.

It is important to note, the reporting of dog attacks varies in consistency across councils and not all incidents are reported to councils. Therefore, the information reported and held by the Board does not accurately represent state-wide trends. It is merely a summary of incidents that have been reported to the Board.

For more complete data you may want to consider submitting FOI requests to individual councils.

## YOUR APPEAL RIGHTS

As outlined in the attached documentation, if you are dissatisfied with this determination you are entitled to exercise your rights of review with the Ombudsman or appeal to the South Australian Civil and Administrative Tribunal (SACAT). An application for an external review or an appeal to SACAT must be made within 30 (calendar) days after you are notified of this determination.

For more information about seeking a review or appeal, please contact the Ombudsman SA on telephone 8226 8699 or SACAT on telephone 1800 723 767.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, will be published on our website [www.dogandcatboard.com.au](http://www.dogandcatboard.com.au).

If you have any queries in relation to the FOI process please contact the Dog and Cat Management Board on telephone (08) 8124 4962 or email [dcmb@sa.gov.au](mailto:dcmb@sa.gov.au)

Yours sincerely,

Mr David Parkin  
**Principal Officer for FOI**  
**Chairperson, Dog and Cat Management Board.**
