I apologise for the delay in processing this request. As per our telephone conversation the Dog and Cat Management Board (the Board) was awaiting the appointment of a Presiding Member to enable the request to be progressed.

## **DETERMINATION**

Searches of the Board's records have found one (1) document held by this agency within the scope of the request.

The Board's Principal Officer for FOI and Presiding Member, Mr David Parkin has determined to grant you full access to this document. The reporting of dog attacks varies in consistency across councils and not all incidents are reported to councils. Therefore, the information reported and held by the Board does not accurately represent state-wide trends. It is merely a summary of incidents that have been reported to the Board.

Please note that the Board does not hold CCTV footage or photographs within the scope of this request.

## FEES AND CHARGES

The cost for the Dog and Cat Management Board to process your FOI application was \$234.60.

## YOUR APPEAL RIGHTS

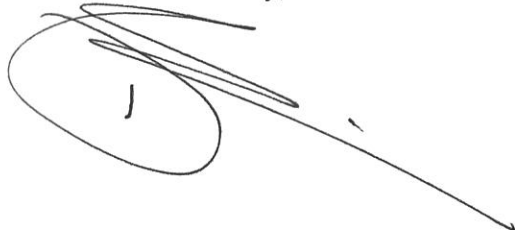

As outlined in the attached documentation, if you are dissatisfied with this determination you are entitled to exercise your rights of review with the Ombudsman or appeal to the South Australian Civil and Administrative Tribunal (SACAT). An application for an external review or an appeal to SACAT must be made within 30 (calendar) days after you are notified of this determination.

For more information about seeking a review or appeal, please contact the Ombudsman SA on telephone 8226 8699 or SACAT on telephone 1800 723 767.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, will be published on our website [www.dogandcatboard.com.au](http://www.dogandcatboard.com.au).

If you have any queries in relation to the FOI process please contact the Dog and Cat Management Board on telephone 8124 4962 or email [dcmdb@sa.gov.au](mailto:dcmdb@sa.gov.au)
